## IMPORTANT NOTICE

### Primary Election Day is Tuesday, May 18, 2021

Registered voters in Pennsylvania now have 2 options for mail-in ballots. Besides the absentee ballot, you may request a mail-in ballot to complete & return to the Carbon County Election Bureau in Jim Thorpe.

- **Absentee ballot** – If you plan to be out of the municipality on Election Day or if you have a disability or illness, you should request this ballot type, which still requires you to list a reason for your ballot.
- **Mail-in ballot** – Any qualified voter may apply for a mail-in ballot. You may simply request this ballot without a reason.

Voters have the option to vote by mail-in ballot rather than going to their polling places on Election Day. Requests for absentee or mail-in ballots will be accepted through May 11. If a voter has already applied for an absentee or mail-in ballot, they do not need to re-apply.

Voters also have the option to be added to an annual mail-in ballot request list where you'll receive an application to renew your mail-in ballot request each year.

Once your application is approved, you will automatically receive ballots for the remainder of the year, and you **do not** need to submit an application for each election.

You can contact Lisa at the Carbon County Election Bureau at **570-325-4801** to request a paper application, or you can contact the Department of State to request an application by emailing [ra-voterreg@pa.gov](mailto:ra-voterreg@pa.gov) or calling **1-877-VOTESPA**.

You may also apply in person at their temporary location at the school district in Jim Thorpe at 410 Center Ave., First Floor, Suite 100, Monday through Friday, between the hours of 8:30 a.m. – 4:30 a.m.

Weatherly residents who plan on voting in that manner should note that the ballots must be **mailed** and cannot be handed into the polling places at Eurana Park or the Legion building.

The Election Bureau in Jim Thorpe must receive them by **8 p.m. on May 18** in order for the vote to count. **Also, if residents request an absentee or mail-in ballot, they cannot change their minds and decide to come in to the polls to vote. They would not be able to do so. They would have to follow through with the absentee or mail-in ballot or vote by Provisional ballot only.** For questions, please contact Lisa at the Election Bureau, at 570-325-4801.
